An extraordinary illustrated graphic novel about the legendary political figure Che Guevara

His name is equated with rebellion, revolution, and socialism. His face is on tee-shirts all over the world. More than forty years after his death, Che Guevara's life continues to captivate the public imagination—and has been explored and portrayed in numerous books and films, including *The Motorcycle Diaries*. Guevara became politically active in his native Argentina, but gained notoriety after he met Fidel Castro and became instrumental to Castro's efforts in Cuba. Guevara then went on to Bolivia, where he was captured and killed by the Bolivian army while trying to incite revolution. This illustrated biography tells the riveting story of Che's life and death through the popular Japanese art manga.

THE 14TH DALAI LAMA

A GRAPHIC BIOGRAPHY

by Tetsu Saiwai

A new way of getting to know one of the world's most beloved spiritual leaders

Featuring a brilliantly illustrated format that will appeal to readers of all ages, this unique biography is an ideal introduction to the leader of the Tibetan government-in-exile. Born in 1935 to a peasant family in a small village, Tenzin Gyatso was recognized at the age of two as the reincarnation of his predecessor, the Thirteenth Dalai Lama. In 1950, His Holiness assumed full political power when China invaded Tibet—a tragedy that forever changed him and shaped his efforts on behalf of world peace, and for which he was awarded the Nobel Prize. This is a unique depiction of the life and personality of an iconic figure.

Tetsu Saiwai is a manga artist from Japan, where he lives with his wife and dogs.
